

10% discount voucher for Developing an Eye for Accuracy

This voucher entitles the holder to a 10% discount against the delivery fee for the
Developing an Eye for Accuracy training programme.

Only one voucher to be used per organisation attending the *Reducing the Cost of Error* event.

The 10% discount applies to the two day course delivery fee.

Expiry date of voucher: **30th November 2015**

The date above indicates the date by which our course booking form must be signed by an
authorised customer representative.

Request a demonstration of Developing an Eye for Accuracy

7 reasons to request a free demonstration

- Relate the benefits of the training specifically to your organisation
- Learn about more accuracy techniques
- Involve your colleagues in the benefits of accuracy skills development
- Discuss how the accuracy techniques relate to your people's work
- Review the cost of your 'error problem' in greater depth
- Discuss the savings you can expect to achieve
- Learn how we measure your return on investment

The demo meeting is free and is the best way to evaluate the *Developing an Eye for Accuracy* programme.

We come to your premises on a date and at a time convenient to you.

To book your demo please call Lissa Elcock on 01638 723590.
